

Young Musicians – Weekly Lesson Plan

Week 1: Introduction

Children have fun exploring the nature of sound and learning musical dynamics. We introduce the keyboard and note-finding skills.

Week 2: Developing Rhythm and Pitch

Through a variety of games and exercises, children learn how to locate notes on the keyboard, and develop a basic sense of rhythm and pitch.

Week 3: Playing our First Songs

As we advance our knowledge of rhythm and sound, we explore new patterns with percussion pipes and learn to play our first basic melodies on the keyboard.

Week 4: Recognizing Instruments & Dramatic Interpretation

Children expand their imagination playing a dramatic movement game, and learn through playing to distinguish between basic types of instruments.

Week 5: Learning Tempo

Incorporating two basic tempos into our games and rhythm exercises, children learn to recognize pace and speed differences in music.

Week 6: Advancing Performance Abilities

As our knowledge of music fundamentals develops, we move to playing more advanced melodies on the keyboard.

Week 7: Exploring Sound and Introducing the Musical Families

Children listen to different sounds and determine the source. Moreover, we introduce the four families of musical instruments and learn how they are played.

Young Musicians – Weekly Lesson Plan

Week 8: Percussion, Woodwind, Strings & Brass

Children are given practical demonstrations on instruments from the different families, and have the opportunity to investigate how these instruments produce sound. Grouping instruments by family, children learn new concepts through exciting games and exercises.

Week 9: Music & Emotion

Through music, dance, and discussion, we explore the emotive aspects of music. Children use their imagination and creativity as we introduce music as a form of expression.

Week 10: Young Musicians

A comprehensive review of what we have learned so far, incorporating students' favourite games and songs. To end, children receive their graduation certificate from the Young Musician's program.
